

| Events | Issue | Date of Publication | Features with Market Surveys | Advertisement Closing Date | Editorial Closing Date | |
|--|----------|---------------------|--|--|------------------------|------------|
| Datacenter Symposium Hanau 20 – 21/2 | 2 | 30/1/2018 | Cabling: Cabling Systems and Components, Copper and Fiber Technology, Racks, Cable Testers, Cabling Service Providers, Inhouse Connectivity, Patch Panels, Cable Management, Media Converters, 5/10/25/40/100GbE, Cat. 6/6 _u /7/7 _u /8/8.1/8.2 Market Survey: Fiber Cabling and Connectors | Data Center Management: DCIM, KVM Technology, DC Planning and Certification; DC Norms, HVAC Management, UPSs, Infrastructure Management, Free Cooling, Chillers, Transformers, DC Security, PDUs Market Survey: DCIM Software | 11/1/2018 | 11/12/2017 |
| Light & Building 18 – 23/3 | 3 | 28/2/2018 | Power Supply and Air Con in the Data Center: Energy Efficiency, Coolers, Emergency Power Supply, UPSs, Planning Tools, Raised Floor Technology, Hot Aisle/Cold Aisle Equipment, Sensors, Rack Systems, Hot Spot Cooling, DCIM, Water Cooling, Energy Recuperation, Chillers, Diesel UPSs, PDUs Market Survey: UPSs | Smart Building: Indoor Cabling, HVACR, Facility Management, Powerline/Homeplug AV, Ethernet over Coax, CAFM, Access Control and Security Systems, IP Video Surveillance, Surveillance Systems, Physical Security, Air Conditioning, Emergency Management, Power over Ethernet, Bacnet, IP-Based Measurement and Control Systems, M2M, Smart Metering Market Survey: Network Cameras | 8/2/2018 | 22/12/2017 |
| HMI 23 – 28/4 | 4 | 29/3/2018 | Smart Factory and IIoT: Industrial IoT, Machine-to-Machine Communications, Internet of Things, IoT, Sensors, RFID, Wireless Technology, Standards, Norms, Interoperability, M2M Security, IPv6, NFC, Near-Field Communications, Field-Bus Systems, Scada, „Industry 4.0“ Initiative Market Survey: Industrial-Grade Switches | Structured Cabling: Cabling and Connector Systems, Copper and Fiber Cabling, Media Converters, Patch Cables, Patch Management, Approval Testing, Cable Trays, Hybrid Cabling (Power and Data), Power over Ethernet, Standardization Market Survey: Cable Testers | 12/3/2018 | 1/2/2018 |
| | 5 | 26/4/2018 | Enterprise Security: Firewall, VPN, IDS/IPS, Security Monitoring, Security Management, SIEM (Security Information and Event Management), Threat Detection Threat Defense, Incident Response, Malware, Ransomware, Phishing, Spear-Phishing, Social Engineering, Risk Management, Privacy, Data Protection Market Survey: VPN Solutions | Data Center Infrastructure and Operations: Rack Systems, UPSs, Infrastructure Management Systems, Datacenter Cabling, Cable Management, Power Supply, Air Conditioning, KVM Switches, Data Center Security, Access Control, Fire and Flood Protection, EMC, Cooling, Container Data Centers, Data Center Interconnects, Redundancy, Edge Data Centers Market Survey: Rack Systems | 9/4/2018 | 1/3/2018 |
| CeBIT 11 – 15/6 AngaCom 12 – 14/6 | 6 | 29/5/2018 | Unified Communications: UCC, Voice over IP, SIP, IP Telephony Solutions, IP Phones, IP-PBX, Media-Gateways, IP Centrex, Unified Messaging, Fax, E-Mail, Instant Messaging, Video Conferencing, Web Collaboration, Social Collaboration, Solutions for Lync/Skype for Business, Enterprise File Sharing Systems /EFSS, File Transfer, Mobile Messaging Market Survey: IP Telephony Systems and IP Centrex | Fiber Cabling: Cabling and Connector Systems, Fiber Technology, Media Converters, Patch Cables, Patch Management, Approval Testing, Cable Trays, Hybrid Cabling (Power and Data), Standardization Market Survey: Optical Measurement Technology | 7/5/2018 | 3/4/2018 |
| Datacenter Symposium München 3 – 4/7 | 7 | 26/6/2018 | Datacenter Security and High Availability: Access Control, Physical Security, Video Surveillance, Redundancy, Resilience, UPSs, Backup Data Centers, Fire Prevention, Shelters, Alarm Systems, Remote Control, ILO Management, Lighting Control, Identity and Access Management, IAM, Security Management, Security Services, DCIM, Facility Management, Monitoring, Security Gateways Market Survey: Cooling Systems | Wireless Technology for IT and Industry: Wi-Fi, 802.11n, 802.11ac, NFC, LTE, M2M, WLAN Controllers/Switching, WLAN Management, Wireless Security, WLAN Measurement, WLAN Cards, Antennae, Point-to-Point Radio, Bluetooth, WLAN Service Providers, Hotspots, Billing Market Survey: WiFi Access Points | 7/6/2018 | 2/5/2018 |

| Events | Issue | Date of Publication | Features with Market Surveys | Advertisement Closing Date | Editorial Closing Date | |
|---|------------------|---------------------|---|--|------------------------|------------|
| | 8 | 26/7/2018 | SPECIAL Data Center Equipment and Cabling: Cabling Systems and Components, Media Converters, Copper and Fiber Technology, Rack Systems, Cable Testers, Cabling Service Providers, Patch Panels, Cabling Management Systems, UPSs, KVM Switches, EMC, Infrastructure Management Systems, Power Supply, Energy Efficiency, Air Conditioning, Physical Security, Fire and Flood Protection, Data Center Management, DCIM, Cooling Market Survey: Copper Cabling and Connector Systems as well as Market Survey: Data Center Planning Service Providers | 9/7/2018 | 1/6/2018 | |
| Datacenter Symposium Kassel 18 - 19/9 | 9 | 30/8/2018 | Endpoint Management: Mobile Computing, MDM, EMM, Mobile Security, Authentication, Encryption, Remote Control, IPSec/SSL VPNs, Smartphones, Tablets, Mobile Devices, Wearables, BYOD/CYOD, Unified Endpoint Management Market Survey: Mobility Management/EMM | Network Analysis and Monitoring: Protocol Analyzers, Probes, Cable Testers, Certification, Network Monitoring, Performance Monitoring, Troubleshooting, Network Documentation, Expert Systems, Forensics Market Survey: Monitoring Tools/Protocol Analyzers | 13/8/2018 | 6/7/2018 |
| Security Essen 25 - 28/9 it-sa 9 - 11/10 Chillventa 16 - 18/10 | 10 | 24/9/2018 | Security in the Cloud: Security as a Service, Cloud-based Security Software, Encryption, Security Management, Private Cloud, Hybrid Cloud, Managed Security, MSSP, Compliance, Privacy, Identity and Access Management, IAM Market Survey: Encryption for Mobile Devices | Physical Data Center Security: Access Control, Physical Security, Video Surveillance, IP Cameras, UPSs, Backup Data Centers, Fire Protection, Shelters, Alarm Systems, Remote Control, ILO Management, Lighting Control, Security Services, Facility Management, DCIM, Cooling/HVAC Market Survey: Alarm and Fire Detection Systems | 5/9/2018 | 3/8/2018 |
| Data Centre World | 11 | 25/10/2018 | Data Center Virtualization/Cloud: Server Virtualization, Software-Defined Storage, Software-Defined Networking (SDN), Software-Defined Data Center (SDDC), Data Center Infrastructure Management (DCIM), Process Automation, Monitoring, Private Cloud, Hybrid Cloud, Cloud Management, Cloud Providers, Infrastructure as a Service, Data Center as a Service Market Survey: Colocation and Server Housing | Energy-Efficient Data Center: Cooling Concepts, Power Supply, Cooling, Air Conditioning, UPS, Rack Systems, Infrastructure Management, Raised Floor, Hot/Cold Aisle, Free Cooling, Chillers, Transformers, DC Planning and Certification, Energy Monitoring, Energy Recuperation Market Survey: Intelligent PDUs | 8/10/2018 | 30/8/2018 |
| SPS IPC Drives 27 - 29/11 | 12 | 26/11/2018 | Cabling for IT and Industry: Cabling Systems and Components for IT and Industry, Copper and Fiber Cabling, Media Converters, Patch Cabling, Patch Management, Approval Testing, Cable Trays, Hybrid Cabling (Power and Data), Power over Ethernet, Remote Powering, Blow-in Technology, Installation Support, Standardization Market Survey: Industrial-Grade Data Connectors | Unified Communications: UCC, Voice over IP, SIP, IP Telephony Solutions, IP Phones, IP-PBX, Media-Gateways, IP Centrex, Unified Messaging, Fax, E-Mail, Instant Messaging, Video Conferencing, Web Collaboration, Social Collaboration, Solutions for Lync/Skype for Business, Enterprise File Sharing Systems /EFSS, File Transfer, Mobile Messaging Market Survey: Video Conferencing | 6/11/2018 | 14/9/2018 |
| | 1 2019 | 20/12/2018 | Backup and Archiving: Backup Software and Appliances, Disaster Recovery, Snapshots, Replication, Cloud Backup, Tiered Storage, Information Lifecycle Management, Digital Preservation, E-Mail Archiving, Tamper-Proof Data Storage, Tape Libraries, Tape Drives, Removable Media, LTO, LTFS, RDX, WORM Market Survey: NAS Systems | End-User Computing: Mobile Computing, MDM, EMM, Mobile Security, Authentication, Encryption, Remote Control, IPSec/SSL VPNs, Smartphones, Tablets, Mobile Devices, Wearables, BYOD/CYOD Market Survey: Client Management Solutions | 3/12/2018 | 26/10/2018 |
| | 2 2019 | 31/1/2019 | Cabling: Cabling Systems and Components, Copper and Fiber Technology, Racks, Cable Testers, Cabling Service Providers, Inhouse Connectivity, Patch Panels, Cable Management, Media Converters, 5/10/25/40/100GbE, Cat. 6/6,7/7,8/8.1/8.2 Market Survey: Fiber Cabling and Connectors | Data Center Management: DCIM, KVM Technology, DC Planning and Certification; DC Norms, HVAC Management, UPSs, Infrastructure Management, Free Cooling, Chillers, Transformers, DC Security, PDUs Market Survey: DCIM Software | 15/1/2019 | 14/12/2018 |
